THE SALT LAKE
Weekly Tribune.
NEW YEAR
—AND—
NEW VOLUME.

The Weekly Tribune.

The double sheet SALT LAKE WEEKLY TRIBUNE—each number containing about forty-two columns of choice reading matter—is issued every Saturday morning. It will soon enter upon its Third Volume, and the popular favor with which it has thus far met induces the Company to present its claims more conspicuously to the reading public.

General News Department.

The WEEKLY TRIBUNE is compiled with special reference to its circulation among the farmers and old-settlers in Utah, and in the East. The matter printed in the Daily is collected in the Weekly and constitutes the amplest summary of intelligence published by any journal in Utah Territory.

Local Intelligence.

The WEEKLY TRIBUNE contains all the principal Local Items published in the DAILY TRIBUNE, carefully selected and arranged, and forming a complete weekly review of local topics and events.

Mining Intelligence.

The WEEKLY TRIBUNE also contains the latest mining news to be obtained from every district in Utah, having faithful correspondents in almost every camp, and is especially devoted to the mining welfare of the Territory. Besides mining news it will present Eastern, Western and Domestic Telegraphic Despatches, Editorials, a careful compilation of detailed Eastern news, and choice selections of Poetry and Miscellany.

To Advertisers.

Both the DAILY and WEEKLY TRIBUNE have a large and increasing circulation among the live business men of the Territory, and are, therefore, the best mediums for advertising to those who wish to secure the public eye and patronage. Terms liberal.

Send it Home.

Persons who desire to send some token of remembrance to their distant friends, or who wish to keep them posted in regard to our local matters, should have the WEEKLY TRIBUNE mailed to them regularly. The cost is inconsiderable, while it obviates the necessity of frequent correspondence and furnishes more information concerning general local affairs than could be given by the most unremitting and voluminous letter writing.

Circulate it Generally.

Those who are anxious to disseminate correct information regarding the resources, products, and prospects of Utah Territory, should send abroad the WEEKLY TRIBUNE, as its columns present a complete reflex of the industrial, social and political condition of this country.

☞ Call and examine specimen copies at the Publication Office of the Daily and Weekly Salt Lake Tribune, No. 31 Main street, Salt Lake City.
